Name of organizing secretary/coordinator	Department of Public Health Dentistry
Date of activity	17 th April 2025, 10AM to 1 PM
Venue of activity	Dayanand Public Senior Secondary School, Achrol/ Rajkiya Prathmik Vidyalaya, Achrol
Total no. of participants/ Delegates	46
Type of participants (Eg- Students, Villagers etc.)	Students
Brief about the activity (In 500 words)	<p>The Department of Public Health Dentistry, Nims Dental College & Hospital conducted a dental screening and awareness camp on 17th April 2025 at Dayanand Public Senior Secondary School, Achrol. The primary objective of the camp was to provide basic oral health services and educate students about the significance of maintaining good oral hygiene. A team of dental professionals from the department carried out comprehensive oral screening for a total of 46 students. Each student was examined for various oral health issues, including dental caries, gum diseases, malocclusion, and other oral conditions. Students identified with oral health problems requiring further management were referred to Nims Dental College & Hospital for detailed examination and treatment. Post-screening, an oral health education session was conducted to sensitize students about the importance of oral hygiene. The session included:</p> <ul style="list-style-type: none">• A tooth brushing demonstration using dental models to explain the correct brushing technique.• Guidance on brushing frequency and duration.• An informative talk on the role of a balanced diet in maintaining oral health, with emphasis on reducing the intake of sugary foods and beverages. <p>As part of the outreach initiative, free toothbrushes and toothpastes were distributed to the students of Rajkiya Prathmik Vidyalaya, Achrol. This activity was aimed at encouraging the development of healthy oral hygiene habits among schoolchildren from an early age.</p>
