Post Activity Form

Extension and Outreach

Name of Institute/College/Department- Nims Dental College & Hospital/Department of Public Health Dentistry	
Name of activity	Observation of “ World Oral Health Day ” and Dental Camp
Name of organizing secretary/coordinator	Department of Public Health Dentistry
Date of activity	20 th March 2025, 10AM to 1 PM
Venue of activity	Rajkiya Prathmik Vidyalaya, Achrol
Total no. of participants/ Delegates	38
Type of participants (Eg- Students, Villagers etc.)	Students
Brief about the activity (In 500 words)	<p>On the occasion of World Oral Health Day 2025, the Department of Public Health Dentistry, Nims Dental College & Hospital, conducted a dental camp at Rajkiya Prathmik Vidyalaya, Achrol on 20th March 2025. The camp was organized to promote oral health awareness among school children and provide free dental screening services. A team of dental professionals conducted comprehensive oral screening for a total of 38 students. The screening aimed to identify various oral diseases common in children, such as dental caries, gum diseases, and malocclusion. Students requiring extensive treatment were provided with referral cards and directed to Nims Dental College & Hospital for further care. The theme for World Oral Health Day 2025, "A Happy Mouth is a Happy Mind," was emphasized throughout the session. The students were educated on the importance of maintaining good oral hygiene and its positive impact on both general and mental health. To reinforce good oral hygiene habits, a live tooth-brushing demonstration was conducted using a tooth model. The students were shown the correct brushing techniques and were encouraged to adopt proper oral care practices in their daily routine. The camp successfully raised awareness about oral health and provided essential dental care services to young students. The Department of Public Health Dentistry remains committed to continuing such initiatives to improve oral health standards in the community.</p>
